# Safe

For your comfort, we provide a safe free of charge during your stay. The safe can be found in the wardrobe in the bedroom. The safe can be easily set up using the following steps.

1. Open the door and open the battery compartment on the inside. There is a small red button at the top. Press it once.
2. Choose a 4-digit code followed by 'A'. It should now beep.
3. Close the door and turn the knob to lock the safe.
4. Open the door by entering the chosen code followed by 'A'.
5. If you use the safe during your stay, please leave it open when checking out.
